Forecast for Tuesday 26 Jul 2022

Weather: Long clear spells overnight with temperatures dropping into single figures in places, as a result a fresh start to the day Tuesday with cloud bubbling up during the course of the morning. Long sunny spells throughout the morning and into the afternoon, with an outside risk of an isolated light shower. A bright end to the day with clearing skies across the park.

Chance of cloud-free hill tops above 600m: 70% rising to 85% from mid-afternoon.

Low cloud and visibility: Cloud bases mostly above the level of summits throughout the day, however cloud bases may occasional drop towards 500-600m during the morning. Visibilities generally excellent outside of any cloud with temporal deterioration in association to any showers.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

Generally a fine day with decent sunny spells, however with strong sunshine and high UV levels skin protection will be needed if spending time on the mountains. Also cloud bases may just drop to the level of summits at times which could make navigation more challenging.

Recent rainfall: measured at Neuadd: altitude 353m

Recorded at	Last 24 hours:	Last 48 hours:	Last 72 hours:
14:00 on Mon 25 Jul 2022	5.6mm	14.2mm	14.2mm

Forecast for Wednesday 27 Jul 2022

Weather: Fine and mostly dry across the park during the morning, perhaps with an isolated shower. High and medium level cloud will increase from the west during the afternoon leaving the Brecon Beacons under cloudier but bright skies by the end of the day.

Maximum wind: Variable winds 5-10 mph with isolated gusts to 15 mph

Chance of cloud-free hill tops above 600m: 90%

Low cloud and visibility: Cloud bases well above the level of summits throughout the day. Good to excellent visibilities with distant hills fairly reliably visible throughout the day.

Temperature: **Valleys:** Plus 8 Celsius becoming plus 21 Celsius.
At 600m: Plus 6 Celsius becoming plus 12 Celsius.
Freezing level: Well above the summits.
